Dear Student and Parent/Guardian

Welcome to **Perry Smith Driving School**. We understand your goal is to obtain your driver's license. Our goal is helping you become a safe driver. Together we will accomplish both goals.

New Oxford High School Students have the opportunity to participate in Behind the Wheel Driving and obtain a driver's license through Perry Smith Driving School.

The course fee for Behind the Wheel Driving is **\$350** and includes both the training and driver licensing test, which is administered at New Oxford High School. Upon successful completion of the 6 hour course (including license testing) a *Verification Certificate* will be issued to the student for an insurance discount. Please check with your respective insurance provider regarding any discounts.

The fee of **\$350** is payable prior to starting instruction. Please make check payable to "Perry Smith Driving School." Your student will receive a confirmation text message/phone call prior to each scheduled lesson, typically the evening before. If a scheduled lesson needs to be changed, it is *very* important to contact your instructor immediately to reschedule in order to avoid a cancellation fee. A cancellation fee of \$25 is charged if a confirmed lesson is missed without notification to your instructor.
