Dear Student and Parent/Guardian:

Welcome to Perry Smith Driving School. We understand you want to obtain your driver's license. We want you to be a safe driver. Together we will accomplish both goals.

New Oxford High School students may participate in Behind the Wheel Driving and obtain a driver's license through Perry Smith Driving School.

The course fee is \$350 and includes both the training and the driver license test (administered at New Oxford High School). Upon successful completion of the 6 hour course (which includes the license test) a *Verification Certificate* will be issued for any insurance discount your insurance provider may provide.

The fee of \$350 is due prior to starting instruction. Please make check payable to "Perry Smith Driving School." Your student will receive a confirmation text or phone call prior to each scheduled lesson, typically the evening before. If you need to change a scheduled lesson, it is **very important** to contact your instructor immediately to reschedule and avoid a cancellation fee. A \$25 cancellation fee is charged if a confirmed lesson is missed without prior notification to your instructor.

For additional information, please contact the high school guidance office # (717) 624-2157, ext. 2017 or Mr. Smith # (717) 253-2705. Information about Perry Smith Driving School is also available at: [www.perrysmithdrivingschool.com](http://www.perrysmithdrivingschool.com)
